

Veterans Walk of Honor at Agudas

VETERANS WALK OF HONOR

Agudas Israel Brotherhood will dedicate the Veterans Walk of Honor on November 11, 2018, at 11:00 A.M., at our annual Veterans Day service. Memorial Pavers are on sale for placement on the Walk. To have the pavers in place for the dedication on Veterans Day, orders must be placed before September 15, 2018.

The 4th of July has come and gone. But memories linger of those brave men and women, who did so much to assure our freedom. Now there is a place to remember those who have not returned or are buried in some far-off place. There is a place with Memorial Pavers, where Veterans of Agudas can be honored for their service and those others who have served honorably. That place is Agudas Israel's Veterans Walk of Honor.

Come and add a paver and a memory to the Veterans Walk of Honor at Agudas.
