

Agudas Israel has formed a **PANDEMIC TASK FORCE** to set the best protocols to keep our congregation safe during this COVID-19 pandemic. We will continuously define the metrics and create a timeline for the safe full re-opening of our building and operations.

*This is for your safety and the safety of others, there will be **NO EXCEPTIONS**.*

THE FOLLOWING PROTOCOLS FOR GATHERINGS ON THE SYNAGOGUE PROPERTY MUST BE FOLLOWED:

1. Date and time reservations for the space must be made through the office.
2. Participants must provide their own chairs.
3. Food must be brought in for yourself or individually wrapped in single servings for each participant.
4. All trash must be carried out.
5. **Masks are required when not eating.**
6. Social distancing must be followed – **minimum of 6 feet apart** (areas will be marked with tape or flags to indicate the 6 ft distance).
7. If you are not feeling well, or have been with someone who has COVID-19, please stay home.
8. Bring your own hand sanitizers or wipes and use often.
9. Bathrooms, kitchen, and water fountain will be closed and are off limits.
10. Limit your gatherings to no more than one hour or less. Even outdoors, prolonged person-to-person interactions are dangerous.
11. No handshakes, hugs, or fist bumps are allowed.
12. Outside gatherings on our property with **NO** building entry will be limited to less than 25 people.

Thank you for your cooperation.
